

We are setting sail on a Pacific Voyage to renew our campus because we believe a renewed campus will help us cultivate a vibrant community of faith, hope and love that follows Jesus into the world. This is an all-hands-on-deck voyage, and your participation is paramount. Will you join me in hoisting the three sails of (1) **praying**, (2) **serving** and (3) **giving** so that we will more faithfully pursue the mission God has given us?

We exist to cultivate a vibrant community of faith, hope and love that follows Jesus into the world so our neighbors may also experience God's goodness.

You're invited on a voyage of growing faith, expanding hope and deepening love.

Pastor Peter

FAITH. HOPE. LOVE

Our Campus Renewal Plan

You can join us on this voyage right now by doing these three things:

- **Praying:** Will you pray earnestly for the Lord to do exceedingly abundantly far more than all we ask or imagine, by his power at work within us?
- **Serving:** Will you invest your time and talent at Christ Pacific in one area of ministry?
- **Giving:** Will you invest your financial resources in this vision by giving above and beyond your regular tithe to our campus renewal?

This voyage of faith is about welcoming our neighbors into experiencing God's goodness at Christ Pacific.
